## CAMP DETAILS

June 2 – June 6

9:00 am – 2:00 pm

### MINECRAFT MADNESS

**(AGES 6-8) Maximum Registration: 15**

*Jump into the world of Minecraft! Participants of this introductory camp will explore concepts such as coding, engineering, mathematics and design, as they choose their own course of interest and discover the fundamental mechanics of the game. Campers will also approach gameplay from a new angle through offline Minecraft-inspired activations!*

June 2 – June 6

9:00 am – 2:00 pm

### TINKER WITH TECH

**(AGES 9-11) Maximum Registration: 8**

*Learn how CAD software is used in architecture, engineering, and video games, and apply the steps of the design thinking process to create original designs in TinkerCAD, while building laser cut and 3D-printed inventions.*

June 9 – June 13

9:00 am – 2:00 pm

### ROBOT REVOLUTION

**(AGES 6-7) Maximum Registration: 15**

**(AGES 8-9) Maximum Registration: 15**

*Robots influence our day-to-day lives without us even realizing it, but what exactly are robots, and what do they do? Campers will delve into the world of robotics and practice coding, building and driving skills, and piloting high-flying drones! Participants will also enjoy engaging in friendly competitions on the field during this interactive camp centered on teamwork, problem-solving and collaboration.*

**9:00 am – 2:00 pm**

### **MAGICAL ADVENTURES**

**(AGES 6-7) Maximum Registration: 15**

**(AGES 8-9) Maximum Registration: 15**

*Treasures await those who accept this magical quest! Young adventurers will explore mythical tales, develop their own characters, engage in interactive roleplay, and design magical items to aid them on their journeys.*

**June 23 – June 27**

**9:00 am – 2:00 pm**

### **READY, SET, RACE!**

**(AGES 6-7) Maximum Registration: 15**

**(AGES 8-9) Maximum Registration: 15**

*Rev your engines as you prepare to design, prototype, test, and race your vehicle to the finish line! Build a miniature Formula 1 race car, assess its aerodynamic qualities, and launch your winning car on the track! This fast-paced camp accelerates STEM learning and emphasizes teamwork and sportsmanship.*

**June 30 – July 4**

**9:00 am – 2:00 pm**

### **STEAM-POWERED SUPERHEROES**

**(AGES 6-7) Maximum Registration: 15**

**(AGES 8-9) Maximum Registration: 15**

*Have you ever wondered what it would be like to be a superhero? Join us as we use the power of Science, Technology, Engineering, Art and Math to uncover the secrets behind superpowers and special abilities! Channel your inner champion and engage in superhero training, test your super skills, and create your very own superhero identity as you run, leap and “fly” through this extraordinary, action-packed camp!*

**July 7 – July 11**

**9:00 am – 2:00 pm**

### **DINOSAUR DETECTIVES**

**(AGES 6-7) Maximum Registration: 15**

**(AGES 8-9) Maximum Registration: 15**

*Long, long ago from the ancient Triassic seas to the forgotten jungles of the Cretaceous, dinosaurs flourished on a strange earth. Eons have passed, and DISCOVERY'S Junior Paleontologists must piece together evidence from the ancient world to uncover clues about the forgotten age of dinosaurs. Junior Paleontologists will view the distant past through the lens of biology and botany as they explore fossils and prehistoric plants, and showcase their learning through the construction of Jurassic dioramas!*

**July 14 – July 18**

**9:00 am – 2:00 pm**

### **SUPER-SECRET SPIES**

**(AGES 6-7) Maximum Registration: 15**

**(AGES 8-9) Maximum Registration: 15**

*DISCOVERY'S Super-Secret Spies will put their surveillance skills to the test and play detective as they uncover clues, collect and test evidence, determine motives, and rely on their investigative instincts to solve a mystery! Curious campers will analyze fingerprints, decipher secret codes and experiment with DNA detection. Through critical thinking and careful observation, the truth will be revealed!*
